

English

Traditional Tales

We will be learning about the features of traditional tales by looking at the story of Goldilocks and the Three Bears.

We will then in order and retell it using actions and words to a partner.

PE

We are going to be working on having a good balance and co-ordination with our movements. We are going to create a simple dance together.

Music

In Music, we will use our sense of hearing to create our own simple rhythms with a beat. We will then record these rhythms on paper using symbols.

Science

In Science, we will be carrying out investigations based on our senses. We will be learning about our sense of taste and smell, light sources, different textures and their properties and sound waves.

Sensational Autumn Term 2016

1JD and 1RB

Art/ D.T

In Art, we will be learning about different emotions and how to draw and create them. We will also be thinking about how a colour may represent a feeling. In Technology, we will be designing our own delicious 'sensory' fruit salad!

Maths

Our focus this half term will be our numbers to 10. We will be ordering, adding and subtracting our numbers to 10.

Enrichment

As part of our topic we will be going on a trip to Bilborough park on the 22nd of September. We will be using our senses to explore.

Computing

We are going to be learning how to create a code to tell an object what to do. We will fix broken codes to make sure the objects get to where they need to be. This will be on Purple Mash.

RE

We will be learning about different celebrations each religion has every year. This includes Diwali and Christmas.

PSHE

We are going to be focusing on new beginnings and getting to know each other.
