Strictly NO dogs!

For the safety of all who use our site, please do not bring dogs onto our school site. This is the policy of all Nottingham City Schools. Thank you for your support in this matter.

Keep hydrated!

Please could you ensure your child has a water bottle in school every day. A hydrated brain is a healthy brain and this means pupils will be able to concentrate for longer. Water bottles should be clear and have a sports type cap so as to avoid spillages in the classroom. We stock a small supply of water bottles in school at a cost of £1.20 each, available for purchase from our school office.

Please be aware.....

From Monday, the pedestrian gate that opens onto our school site, from the Wigman Road entrance, will open at 8.30am. Please ensure that your child arrives onto our site **no earlier** than 8.40am. A member of staff will be supervising outside from 8.40am.
