Nursery spaces

I have been spending some time in our Early Year's Unit this week. I have been so impressed with how calm the environment is and how much the pupils are engaging with their learning. Staff in the unit work hard to plan a range of exciting activities over the week for pupils to enjoy and there are many activities to choose from! Pupils have adapted quickly to our routines and high expectations.

We still have a few places in the nursery. Please pop into the main office if you would like a tour of the Early Years Unit or require a nursery place for your 3 year old.

Harvest Festival

Thank you for coming along to our Harvest Festival assembly. Our children really enjoyed sharing their harvest themed songs and poems with you.

All food items donated have been greatly appreciated. Thank you!

For parents of pupils in the Early Year's Unit (Nursery and Reception), please come along to our Harvest Assembly on Monday 6th October at 11am in our school hall. All parents are very welcome!

Contact details request

Please could you update the contact information sheet received at parent's evening at your earliest convenience so that we can update our records. There is a box in the entrance hall, please post them in here.

If you are **not** receiving out text messages, please let the office know so that we can add you to our school system.

School enforcement week

We have been informed that the Road Safety team have planned a week of enforcement action outside **school week commencing 6 / 10 /14**. This will include am or pm visits from either the Civil Enforcement Response Team (CERT), Police Community Support Officers (PCSOs), Community Protection Officers (CPOs), the Camera Car and relevant Traffic Officers.

Please remember parents should not park on our school site for the safety of our pupils.

Glenbrook Primary is committed to safeguarding and promoting the welfare of children and young people.

Parent's Evening

We do hope you were able to make it to our open evening. Thank you to all parents who completed the settling in survey. We really do appreciate the time you have given up to share your thoughts with us.

For those parents who have been unable to complete the survey, please see below a link that will allow you to complete it electronically. We are happy to text this to you upon request or provide you with a paper copy. The more responses the better as it gives us a really good idea of what you think we do well and where we could improve. Your views really do matter!

Scooters on site

We are keen to encourage pupils to be healthy and walk or scooter to school. However, please ensure your child does not ride their scooter on the school site – this is for the safety of our school community.

Best Attendance

I am very impressed by the attendance figures for Mrs Feast's class. They achieved 100% last week. Very well done!

Best wishes,
