Our fabulous fireworks!

On Friday 7th November volunteers supporting our school held an amazing firework disco event. There were some super fancy dress costumes on the night and the fireworks were a delight! We do hope you enjoyed yourself – thank you for the positive feedback. An enormous thank you to our volunteers who did a brilliant job of decorating the school and co-ordinating the fireworks. I sincerely appreciate the support – I was very proud to be at the event as the headteacher of the school.

Volunteers made £600 in total. This money will go towards the overall cost of our school visit to the pantomime in town in December. We are going to watch Sleeping Beauty at the Playhouse. The money raised will subsidise the cost of the visit for parents. A letter will be sent home shortly so please look out for it.

Remembrance assembly

On the 11th on November at 11am, pupils at school took part in a special assembly and two minutes silence. Pupils learned more about the importance of wearing a poppy. As you can see from the photo, each class prepared a super wreath of poppies which we shared in the assembly.

We're football crazy!

On Monday 10th November, Glenbrook hosted their first football match of the season. The match kicked off and it was a bright start for Glenbrook with some outstanding passing and team work. After four minutes into the first half, Glenbrook scored their first goal. Brocklewood came fighting back and had many shots on target that were saved by James Wathall.

As soon as the referee kicked off the second half, Brocklewood intercepted the ball and scored, making it 1:1. Glenbrook were not put off and we fought hard to secure a 2:1 win. Well done to Joseph Leverton @, James Wathall, Raekwon Roberts, Owen Webster, Dayton Lancaster, Billy Gough, William Walls, Kyle Cutforth, Ben Beardsall and Kalum Ward. Thank you to Ben Leverton for refereeing the match and the support from our parents. Much appreciated!

New house point tokens

We have introduced a new way of sharing house points with the pupils this week. We have a new tower for pupils to post the coins they have earned. Pupils can earn house points for wearing correct school uniform, showing courtesy and good manners, having helping hands and reading lots of times at home – any positive reason! We are always looking for new ways to reward our pupils so if your child has achieved something out of school that you would like to share with us, please let us know.

Dinner money policy

Please bring any outstanding dinner money up to date as soon as possible. If you have an outstanding debt of over £10.00, you will need to send your child with sandwiches until the debt is paid. We really appreciate this support from you and encourage you to make regular payments so that your child continues to enjoy our delicious school meals.

Anti-Bullying Week

This will be running all next week, with wrist bands being on sale for a £1. There will be various activities taking place and on Friday 21st November pupils can wear something blue for a small donation.

Children in need

As always, pupils made a grand effort to dress up and celebrate this worthy cause. Thank you for your donations. We will let you know next week how much we collected! Thank you also to Mrs Harrison who baked a Pudsey cookie for our raffle, winner to be announced, we hope they enjoy it!
