Newsletter 28 – Friday 6th May 2016

Look at our wonderful new logo. From September we will be launching our new logo and branding. It has taken us such a long time to decide because we had so many ideas. Pupils at school have been talking about the different designs and sharing their thoughts with us. This is the final logo after much discussion! It was important to us to keep the design of trees and a brook as these are from our current design and part of our school history. The colours within the brook are the colours from the George Spencer Trust logo. As you can see, our school name is staying as Glenbrook Primary School. We do hope you like it!

Free school jumper/cardigan and indoor PE kit for every child for September 2016

As we move into our new school building, we would like to offer every child a new school jumper or cardigan and indoor PE kit for free (shorts, t-shirt and PE bag). This is to say thank you for your support over the past year whilst the new building has been progressing and to mark the start of our new Glenbrook journey. The jumper and PE kit will have our new logo on it. However, don't worry – pupils can still wear their current school jumper in the new school as our school colour will remain as royal blue.

We will be offering parents an opportunity to drop into school to choose the size of the jumper or cardigan you would like for your child. Look out for further information coming soon!

SATS Week 9th-13th May

Year 6 pupils will be taking their end of Key Stage 2 assessments next week. The tests run daily from Monday to Thursday. All of Year 6 will be welcome to come to breakfast club on these days from 8:15am and will be supervised by their class teachers. This will be a fantastic opportunity for them to meet up, have a good breakfast and chat with their teachers about any concerns they have relating to the SATs.

Multi Skills Festival

Year 3 had a great morning on Wednesday at George Spencer Academy, taking part in a range of sporting activities alongside three other primary schools. Both classes were mixed for the event so pupils could work in different groups and behaviour was very good. Well done to everyone from Mr Munday and Mr Ross.

Glenbrook Primary is committed to safeguarding and promoting the welfare of children and young people.

Road Safety Quiz Final

We took an amazing team of eight pupils to the Road Safety Final on Thursday evening. The team were Year 6 Luke Johnson and Louanna Booth (team captains), Y5 Khurram Yaseen and Charley Beccles, Y4 Lena Pajak and Alex Lo Storto and Y3 Ellie Roebuck and Julia Wojcik. This is the fourth year running Glenbrook have been in the final. This year 97 schools (14,000 children) took part in the heats. We did amazingly well to be in the top ten schools. The children were complimented on their behaviour and performed exceptionally well in the quiz. Thank you to all the parents and supporters who cheered us on the night.
