News Reports

We will be writing a news report on the sudden death of King Tut. Was it an accident or was it murder?

A range of writing genres

Y3 will be writing in a range of styles for different purposes. This may include factual reports, diary accounts, letters and instructions. We will be refining our editing skills and ensuring that what is being written makes sense to the reader.

Finding Evidence in the text

We will continue to develop our comprehension skills by looking at a range of question types and what we would expect to see in an answer.

Swimming

Year 3 will be swimming at Harvey Hadden Village this term. We hope that as many children as possible will be swimming by the end of term.

History

We are studying the Ancient Egyptian civilisation this term.

Our focus will be on the everyday life of an Ancient Egyptian. What was life like for the ordinary people, the rich and the rulers? We will also find out about Howard Carter and the amazing treasures of Tutankhamun.

Ancient Egypt Y3

Spring Term

New Walk Museum Trip

Maths

Maths' lessons will be from our Singapore Maths textbooks and we will be moving on to multiplication and division this term.

The children will use manipulatives to enhance their mathematical knowledge and gradually build up confidence in their mathematical ability.

Learning tables is really important and we have an exciting new reward scheme coming in for this shortly.

Music

Weekly singing in our KS2 assemblies.

Easter songs

Wider Opportunities - all children are experiencing three instruments this year - ukulele, recorder and cornet. They are learning to compose music.

MFL- French

We are continuing to build on our knowledge of French numbers and songs. The children are really enjoying these! We will be learning days of the week and months of the year.

RE

We will be finding out about the Chinese New Year. There will be a one day focus on this.

We will be learning about Jesus, his life and work and why he is important to Christians.

Computing

Children will continue to use ICT for research and recording as necessary. They will be learning about data bases and digital research and how to use Word or Publisher to edit their work and to paste information from other sources.

Science - subject to change

Light and Shadows - recognise that they need light in order to see things and that dark is the absence of light

Rocks and Fossils - A study of geological remains and how they were formed; compare and group together different kinds of rocks on the basis of their appearance and simple physical properties

Art

Creating pictures using a range of media including chalk, charcoal and watercolour.

We will be creating Egyptian style faces. Apart from representations of death masks, all people in Ancient Egyptian art are depicted with their heads turned to the side.

PSHE - team work and group work is an on-going theme
SEAL: Going for Goals and Good to be Me.
