

Glenbrook Primary School PE and Sports funding impact report 2015-16

In 2015/2016 Glenbrook Primary School received £8970 for 194 pupils. (Aged 5 and above)

Spending £11,429

Glenbrook Primary School is using its funding to:	Impact
Provide after school and lunchtime club provision.	<p>There have been a wide selection of sporting after school clubs which have been well received. This has included a number of different activities including Boccia, (6 children in spring 2 2016 – new offer) Outdoor Games (23 children in summer 16 – new offer), Rounders (12 in summer 16 from 6 in summer 15), Football (23 in autumn 15) and Tag Rugby (increased from 5 in summer 2015 to 12 in autumn 2015/spring 2016) to name a few.</p> <p>Through this increased offer of sporting opportunities (dance and fitness introduced aut 2 (14 participants) – multiskills sports (6 participants), running (11 participants) tag Rugby (see above) we have seen an increased uptake by children to try different sports which they would otherwise would not have had the chance to participate in.</p> <p>Impact: Aut 2014 – 38 attendances at extra-curricular sports Aut 2015 – 45 attendances at extra-curricular sports Aut 2016 – 86 attendance at extra-curricular sports</p>
Participation in a wide range of sports competitions. £769	<ul style="list-style-type: none"> • Children have had the opportunity to take part in a number of competitions.
Transport to sports competitions.	<ul style="list-style-type: none"> • We have entered the Basketball central venue league for the first time which saw the team come second overall. We have also been successful in Boccia tournaments where the team won the local competition earning them the opportunity to represent the City at the regional final. • There has also been success in the year 5 and 6 sports hall athletics in which the children performed extremely well and returned to school having won the competition. This included three of the girls finishing first, second and third out of all of the eight school that attended. We have also entered swimming galas for both swimmers and non-swimmers and some children appeared in the local media celebrating 120 years of school swimming. • We took part in the Girls in Sport festival where year 6 girls participated in a series of events provided by sports leaders from a number of local secondary schools. Overall, children

	<p>positively participate in both inter and intra school competitions and are proud to represent their school. They are also eager to be selected for such competitions.</p>
<p>Provide pupil support through a school health mentor. £7635</p>	<ul style="list-style-type: none"> • Employed a Health Mentor for two terms this year. • She provided opportunities for children to attend a variety of clubs including the early morning wake and shake sessions which aim to get children energised for the day ahead. This was introduced aut 2 2015 (4 participants) rising to 16 in spring 2016 • She also introduced a cheerleading club which was well attended particularly by girls in years 4 and 5. 10 participants in spring 2016 increasing to 17 summer 16 from no previous provision • Alongside this, she worked with a small group of girls from year 4 to support co-operative play activities. • The Health mentor also supported learning in year 4 as well as introducing some playground games at break and lunchtimes. Pupils are positive about these opportunities and this contributes to improving behaviour
<p>Resources for planning PE lessons. £2025</p>	<ul style="list-style-type: none"> • Observations of staff teaching PE have been carried out and this has demonstrated that quality PE lessons are being delivered consistently throughout school. • A specific PE scheme of work has been put into place which has given the teachers the confidence to deliver high quality PE lessons. Teachers have also provided more opportunities for competition during PE lessons where the children have been able to demonstrate the skills that they have learned in a unit of work. As the year has progressed, sport at Glenbrook Primary School has continued to develop, giving children an increased sense of self-worth, the opportunity to shine and the chance to compete in a safe environment which values each and every contribution to the team.
<p>Send staff on a range of PE courses as part of their professional development. £1000</p>	<ul style="list-style-type: none"> • We have worked closely with Nottingham Trent University where we have had a number of students come in to teach PE alongside the class teachers. This has included Tag Rugby and Change 4 Life. • The Change 4 Life project saw children from year 3 take part in both practical and theory lessons where they learned how to keep their bodies healthy.
