Newsletter 22 – 17th March 2017

Sport Event

On Friday 17th March, all children took part in a Fitness Circuit led by elite British hurdler, Meghan Beesley. What a privilege it was to meet an Olympic hopeful who already has so many accolades to her name. It was a fast high-intensity workout featuring 4 main exercises: star jumps, spotty dog, mountain climbers and press-ups. The children certainly broke a sweat during it! Well done to all of the children who raised sponsorship money for their efforts. This money needs to be all collected and brought to school by Friday 24th March. Thank you.

Oakfield science event

Miss Leigh took a group of children from Years 3 to 6 to Oakfield on Thursday. The children took part in a range of activities including making slime, seeing chemical reactions with dry ice, making fruit batteries and seeing irreversible and reversible reactions in making pancakes and ice cream. A good afternoon was thoroughly enjoyed by all and the children showed excellent behaviour. Many thanks to all the teachers involved who helped make this visit possible.

Science coffee morning

Thank you to all parents who attended our science coffee morning. We had skittles experiments in year 1, volcanoes erupting in year 6 and slime making in year 5. We hope you enjoyed the morning as much as we did.

Mother's Day competition

Thank you to everyone who entered the Mother's Day competition. What wonderful entries, making it very difficult to choose the winners. The winners will be notified today and invited to join us for lunch on Wednesday 22nd March.

Parents Evening

Our parent's evenings will be held on Tuesday 21st and Wednesday 22nd March. This is a fantastic opportunity to meet with your child's class teacher and discuss progress made so far and how you, as parents, can further support your child at home. There will be a questionnaire for you to complete so that, as a school, we will be aware of your thoughts and opinions about what we do well and what we can improve on. If you haven't done so already please fill in the booking form which was sent out last week and send it to your child's class teacher. Please be aware the Y3 class is operating different times so look out for the pink letter.

School nurse visit

The school nurse will be visiting school on Tuesday from 3.00pm for a 'drop-in session' where parents/carers can raise any health concerns or queries they may have about their child.

Red Nose Day

Red Nose Day this year is on Friday 24th March. Glasses, make-up, silly noses, anything to make your face funny for money. We will also be having a cake sale to raise funds. All donations will be gratefully received. A small selection of red noses will be available for purchase next week during break time.

Attendance Lottery

Last week's attendance lottery winner for Foundation was a rollover, KS1 was Nico Berry and KS2 was a rollover.

Best Attendance

I am impressed by the attendance figures for Miss Davis' class; they achieved 100% last week. Well done, everyone!

Best wishes,

Samantha Eyre
