Newsletter 32 – 16th June 2017

Harvey Haddon Overflow Car Park

Works on the car park will be starting on 19th June for a period of 6 weeks. Please be aware that there will be no access to school from the overflow car park at Harvey Haddon Sports Centre during this time.

Coffee morning

Please come along to our coffee morning on Thursday 22nd June. A separate letter has been sent out with the details. The theme is Creative Literacy which includes writing and reading but with added creativity of art, music and plenty of imagination. Everyone welcome!

Bikeability

Bikeability has been a great success over the past four days, with numerous Year 6 children achieving their phase 1 and 2 certificates and badges. They have learned how to inspect a bike and check for damages, how to manoeuvre a bike around the roads safely and basic road safety. An enormous thank you must go to Nottingham Bikeability for their work with the children this week. Please remember that if your child is biking to school now, they are required to wear a helmet.

Pop up Theatre from EoN 'Power-Up'

This week we had a visit from EoN who shared with us ways we can save energy and what would happen in the future if we use too much energy. We had a lot of fun singing along and joining in with the actions. Children thought the production was amazing and didn't stop talking about it.

Year One Trip to Cleethorpes

On Monday the year ones are off on our trip to Cleethorpes. Please can parents make sure to drop their child off at the normal class door for 8:20am as we are leaving by 8:30am. We should be back for 4pm. If for any reason we are late we will ask the office staff to text you and let you know. Please collect from normal class door. The weather forecast is predicting it will be sunny but please look out for messages through dojo and texts on Monday morning. We are so excited to be going and looking forward to the day!

Year Six Trip to Queens Medical Centre

On Monday, Year 6 will be attending QMC, to learn about how a hospital runs, as well as basic first aid skills. They will have a tour of the hospital and take part in workshops.

Year 4 Trip to see 'The Tempest'

On Tuesday 13th June some of our Year 4 children went to Hempshill Hall Primary School to see a special performance of 'The Tempest' by William Shakespeare. Year 5 children from Hempshill Hall Primary School performed for us as they had been working with some members of the Royal Shakespeare Company. It was very exciting and we were all very impressed with how many lines the children had to learn! The songs and the acting were brilliant! Their performance will help our children to understand Shakespearian language as well as prepare them for our 'Literacy Extravaganza Day' on the 29th June at Oakfield School where they will also participate in an afternoon of fun activities around 'The Tempest.'

Achievement Assembly

The following children were praised in our achievement assembly today:

Friday 16th June 2017	Year Group
All Year One	Year 1 Doves
All Year One	Year 1 Quails
Lennon Beardsall	Year 2 Penguins
Ayman Pallant	Year 2 Flamingos
Alea Akhtar	Year 3 Kingfishers
Hamna Amjad	Year 4 Falcons
Stephanie Dorgbefu	Year 4 Merlins
Shayleigh Davidson	Year 5 Eagles
Emad Zakaria	Year 6 Ravens

Congratulations to all of those children and to their families for the help and support they give.

Best Attendance

I am impressed by the attendance figures for Mr Hill's class; they achieved 99.2% last week. Well done, everyone!

Best wishes,

Samantha Eyre
Headteacher

NOTICES

Wonder on Saturday 17th June 11am – 5pm

The University of Nottingham at University Park is having a free, exciting and interactive day that will uncover the answers to the questions your children always wondered about. They will experience different languages, be amazed by extreme science experiments and witness Vikings battle Anglo-Saxons in a fearsome re-enactment. There is something for the whole family at Wonder. More details can be found on the website – www.nottingham.ac.uk/wonder
