Message from our Chair of Governors, Pat Shaw

Wow! What a finale to the year, Ocean Commotion was a revelation. A beautifully performed musical. Very funny, the pace was good, no one forgot their lines, there were good performances all round and you could hear every word. The energy and enthusiasm was impressive as was the singing and dancing. Some difficult songs there and very well presented, so well done KS2 and all the people who helped the performance take place. A fitting end to celebrate our first year in the new building.

Well done year 6 on their SATs results and good luck for the rest of your school careers. It has been a pleasure to know you. Keep up the good work and make yourself proud.

It has been a good year all round. A new school, getting a "good" at OFSTED and some good results across the school. This confirms my belief in the ability of the children in our school. Thank you to the teaching staff for your hard work and dedication. Good luck to those leaving us and welcome the the ones about to join us. Thank you to all the other staff in the school for your good humour, hard work and support. Thanks to the Governors for all their work this year and for their support during the OFSTED inspection. Last but definitely not least, thank you to all the parents for their support during the past year. Have a great summer everyone.

Goodbye and good luck....

At the end of this term, we sadly say goodbye to Miss Clifton and Mr Feast.

Miss Clifton has been a part of Glenbrook for a massive 15 years! She is part of our foundations both in the new and old school and has touched the hearts of many children throughout Glenbrook, in particular in Year 5. Next year, she starts a new chapter in her life and will enjoy many adventures near and far. We wish her fun, health and happiness! Be safe, Miss Clifton – no more Tough Mudders for you!

Mr Feast has been working at Glenbrook for 6 years teaching children throughout KS1 and KS2. His love of all things Pokemon has led to the very successful Pokemon club! We wish him all the best in his new job next year. His new school will benefit from his expertise, knowledge and teaching as much as we have.

Reading Recovery Award

I am delighted to tell you that Mrs Bradley has been awarded a "Reading Recovery teacher of the year" award. This is an amazing achievement and acknowledges what a fantastic Reading Recovery teacher she is! Congratulations, Mrs Bradley – we are super proud of you!
