KINDNESS IS FREE
SPRINKLE
THAT STUFF
EVERYWHERE

World Kindness Day...

On Monday 13th November, we launched a new reward for all of our lovely children. So many kind and thoughtful words and acts are carried out everyday at Glenbrook, and to reward this, each time we spot a child being kind, children will earn a 'Kindness card.' When they have earned ten, they will get to visit Miss Ryan to get a special reward. Keep asking your child how many they have earned, and how they earned them. Random acts of kindness make our school community sparkle!

Capture the memories...

We will be having the photographer in school this Monday. If you would like to have a family photo, they will start at 8.00am. Please speak to Mrs Ogando in the office for more information. Your child will be having individual photographs taken during the day. Please ensure your child is looking snazzy and smart in their uniform. We will do our best to help them to stay nice and clean before their photo shoot!

Christmas is coming...

The months are rolling by and December is nearly upon us! As we only have a small amount of money left from the PTA, we aren't going to be venturing to the Panto this year. Instead, we will be providing lots of magical moments in school, including a Christmas Craft afternoon for you all to join us for.

Lost and found...

Our children are always so busy and active that they sometimes misplace their coats, jumpers, cardigans and gloves. We will be putting the items out in the hall on Monday from 3.30pm for you to be reunited with. If you have any outgrown school uniform, socks etc at home, we would welcome them into school. Likewise, if your child takes home any spare clothing, please return it to school once it is washed.

Friendly Feedback...

We hosted a lovely visit from some Leaders and teachers from one of our Trust schools on Monday. They enjoyed walking around school, listening to our children engage with their EPIC Curriculum, and learnt a lot about how we help our children to learn. Before they left, they all wrote down adjectives to describe what they heard, saw or felt. They said our school is calm, happy, aspirational, positive, friendly and that we have high expectations. From Monday, we will have a box in the main entrance for you to come and write any words that you think describe our school, and what you like about it. We love feedback so please pop yours in the box!

Attendance

Week ending 10th November

Congratulations to our attendance lottery winners for KSI Nico Berry and KS2 Laila Booth.

Week ending 17th November

Congratulations to our attendance lottery winners for KSI Amelia Sharpe and KS2 Terence Irish.

Well done to all our parents, carers and children who have come to school everyday, and on time during this first half term. Being in school everyday helps our children to keep learning, and they make better progress. Even if your child has a little cough or a few sneezes, please bring them in.

If you are finding it difficult to achieve at least 96% attendance, please contact the office to make an appointment with Miss Ryan.

What a wonderful start back the children have had this term. This week our After School Clubs started, and there are places still available in some of these sessions. If you would like to enrol your child in any of these activities, please contact the school office who will be more than happy to help you. Wishing you all a lovely, refreshing weekend.
