

## Sports Premium Strategy

### What is Sports Premium?

Glenbrook Primary School is fortunate to be eligible for the PE and Sport Premium funding from the government. This is money which is sent directly to schools to enhance opportunities for children to access physical activity within school. This funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport. It goes directly to primary school Head Teachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools. Schools have to spend the sports funding on improving their provision of PE and sport but they have the freedom to choose how they do this.

Possible uses for the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- Embed physical activity into the school day through active playgrounds and active teaching

### How do our children benefit?

At Glenbrook, the Sports Premium will be used to fund additional and sustainable improvements to the provision of our PE and sport to encourage the development of healthy, active lifestyles. Playing sport helps to keep children healthy and is good for communities. In addition, playing sport at school or in a local club is the first step to competition at the highest level, which helps improve our reputation as a sporting nation, and contributes to economic growth. Through Sports Premium, we will be providing pupils with a wide range of sporting opportunities that they otherwise may not get the opportunity to try. Participation in sporting activities will be logged, targeting support at the least active and pupil premium. We aim to get all children involved in sport at an early age to develop an active and healthy lifestyle for their future.

Sports Premium funding will also support us in raising our children's aspirations by giving them the opportunity to work and train with professional athletes. These positive role models will allow our children to 'dream bigger dreams' about their future in sport. By giving our pupils these opportunities, we are also reinforcing a positive work-ethic and that, with hard work, anything is possible!

## Sports Premium Strategy

### Sports Premium Strategy 2017-2018 - £18,260

Resource	Cost
Employ a PE apprentice to engage least active pupils in physical activity before school, during break and lunch times and after school.  The PE apprentice will also facilitate competitive sport between schools as well as providing high quality support and leading of PE lessons.	£6,710
Ensure that all pupils have the opportunity to engage in competitive sports competitions.  These will include Trust Competitions, local competitions and National School Games Competitions.	£500
Professional Athletes will work with pupils across school to raise the profile of sport.	£1,000
Resources will be purchased to support PE sessions	£1,850
Provide training for mid-day supervisors to introduce playground games at lunchtimes.	£1,000
Hire qualified sports coaches to enhance and extend current afterschool provision to target the least active children by providing after school sports clubs.	£2,000
Hire qualified sports coaches to enhance and extend current in-school provision to introduce children to new sports.	£2,000
To further develop links with PE teachers across the Trust, in local primary schools and secondary schools,	£200
To develop Sports Leaders across the school.	£1,000
To provide additional swimming provision to target Year 4+ pupils to meet the national standard.	£500
Embed physical activity into the school day by using physical literacy/kinetic letters in EYFS.	£2,000
